Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

OXFORD, 2016. Condition: Nuevo. A non-fiction book, ideal for intermediate learners of English looking to improve and practise their English. The book is filled with useful vocabulary that is carefully graded and easy to understand, it also comes with audio, so that you can listen at the same time as reading. Everybody knows about the United States of America. You can see its films, hear its music, and eat its food just about everywhere. Cowboys, jazz, hamburgers, the Stars and Stripes - that's the United States. But it's a country with many stories to tell. Stories of busy cities, beautiful forests and parks. Stories of a country that fought against Britain, and then against itself, to make the United States of today. Stories of rich and poor, black and white, Native American and immigrant. And the story of what it is like to be an American today.
