The Colony of Delaware (Hardback)

By David Lee

PowerKids Press, United States, 2015. Hardback. Book Condition: New. 218 x 183 mm. Language: English . Brand New Book. This volume invites readers to explore the colonial history of Delaware, the first state to join the United States. Readers will learn how Delaware switched hands between the Swedish and Dutch before falling under British rule. The text explores Delawares rise to success as a coastal trading and manufacturing center, as well as the early rumblings of dissent with English Parliament. Students will gain an understanding of Delawares role in the American Revolution and its long-awaited break from Pennsylvania to become its own colony-state, and eventually, its own state. This text, which is engaging and vivid, aligns with state and national social studies curricula. Primary sources, artwork, and maps supplement the text to support comprehension of major events and historical figures in Delawares colorful history.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Otis Wisoky**

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
