

Both Sides of Heaven: Essays on Angels, Fallen Angels and Demons (Paperback)

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

BOTH SIDES OF HEAVEN: ESSAYS ON ANGELS, FALLEN ANGELS AND DEMONS (PAPERBACK)**DOWNLOAD**

AVALONIA, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Look up towards the heavens and open your mind to the infinite, for it is there that you will see the colourful multifaceted world of winged messengers - Gods, Angels, Fallen Angels and Demons. BOTH SIDES OF HEAVEN is a collection of 18 essays by some of the foremost modern esoteric writers, occult scholars and magicians. In their personal contributions they share their experiences, research and unique insights into the spiritual realms of the mysterious beings who have played such an important and inspirational role in human spiritual history. From the nature of the daimons of the Graeco-Roman world, the Zoroastrian Ahuras and Daevas, the seductive Lilith and mighty Lucifer, through to the Fallen Angels of the Bible and the Book of Enoch, and their children the Nephilim, we find that these powerful beings are harbingers of change. In this anthology their magical natures are explored through the works of Renaissance magicians such as Dr John Dee and Edward Kelley, Dr Thomas Rudd and more recently Madeline Montalban, as well as in that of the experiences of the contributors themselves. The ceremonies and conjurations of grimoires such as the Key of Solomon, Goetia and Grimorium Verum are considered, as well as adaptations thereof and simpler, personal encounters. When you look at Both Sides of Heaven seeking wisdom and knowledge from the wings of ethereal messengers, you will see legions of angels and demons, archangels, fallen angels, old gods and even a few faeries and green butterflies. And maybe, they will be looking back at you too. List of Contributions: Introduction - A Host of Winged Messengers - Sorita d Este (editor) Fallen Angels and Legends of the Fall - Rufus Harrington On the...
