Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Nottinghamshire Parish Registers, Vol. 3: Marriages In this, the third volume, are given Marriage Registers for seven Nottinghamshire parishes, and the Chapelry of Elston, all in the southern part of Newark Wapentake, as well as the interesting entry of the marriage in the Chapel of Newark Castle on p. 89, a photographic facsimile of which is given as a frontispiece to the volume. The Editors have to acknowledge the help of Mr. G. Allen Ross, who kindly copied the Coddington Registers, and of Mr. J. E. K. Cutts, who supplied the transcript of Cotham; for the other parishes Mr. T. M. Blagg is responsible. Thanks also are due to the parish clergy for leave to print the various registers. Their names are mentioned under the several parishes. As the remarks made in the prefaces of Vols. I and II, as to the spelling of names, method of dating, index, etc, apply equally to the present case, it is not necessary here to repeat them. The Editors desire to impress upon the reader the fact that it is only volunteer assistance which renders the issue of these Registers possible. The Marriage Registers of nearly every parish in Notts, south of the Trent, have been copied, and some few on the north side of the river, but further aid in North Notts is greatly required. Offers of help will be gladly welcomed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
