TEACHING COMPUTERS IN PRE-K THROUGH 8TH GRADE: ONE NEW TEACHERS VOYAGE IN EDUCATION

iUniverse. Paperback. Book Condition: New. Paperback. 185 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Have you ever wondered what it might be like to teach a subject to every grade in a school Do you think you could teach the same subject to every student in school This book describes my experiences teaching computer to all grades, pre-K through 8th grade, in a private school. This book contains: My experiences, both good and bad, and how I corrected the bad experiences. Assessment tests on all subjects, such as history, geography, and science. These tests were used by me, and can be used by you, to give the student experience with the computer and as practice taking the exams. Appendix of web sites that teachers and students can use to enhance their knowledge in computers and other topics. A computer room design setup. This setup will enhance the learning experience for the students and will make the instructors job easier. A set of assignments designed for each class. This book is designed for the teacher and educator and will give you laughs as you see how I learned through trial and error. It will also help in teaching computers in grade school.
