Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).
(Pasquale Larkin I)

STAR TREK TRANSPORTERS FROM SCIENCE FICTION TO SCIENCE FACT

Createspace, United States, 2014. Paperback. Book Condition: New. 194 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever wondered if it would be possible to be teleported just like in Star Trek? Amazingly, not only is it possible, but scientists at this very moment are doing such experiments! Ever since the TV series Star Trek introduced the idea of teleportation from one place to another via a matter transporter, many of us have been fascinated with the prospect that one day this may become reality. It s true to say that Star Trek wasn t the first time the concept of a transporter was used in a sci-fi series, film or book, but it is without doubt the catalyst which sparked the public imagination for this type of travel in real life. This book looks at the scientific processes and progress that has taken place which will take the Star Trek transporter from sci-fi into reality. Staggeringly enough scientists have now started teleporting particles exactly in the same way the Enterprise transporter does, opening up the possibilities for human teleportation within a comparatively short number of years. This book takes you through the history of the discoveries which have led scientists to build that teleportation device, and explains in layman s terms exactly how it works. It delves into some of the most complex theoretical principles of science but in a way easily understood by anyone who has even a basic knowledge of science. This book also looks at the most controversial and serious aspect of teleportation, and why it may stop anyone wanting to travel in such a way. By the time you have finished reading this book, you may well decide that the monetary costs are cheap in comparison to the...
