Having been sent to the seaside town of Bar Harbour, Maine to spend the summer with her grandparents, she feels abandoned, confused, and helpless. Though she contemplates what the future will hold for her, she doesn't anticipate what the summer will bring. Upon discovering a secluded cove, she finds a place of refuge where she can build sandcastles and be alone with her thoughts. When she sees signs of an intruder, however, she sets out with vigor to chase away the unwelcome visitor. Much to her surprise, the intruder unknowingly has much to teach her about life and about struggles and about God. Together they embark on an unexpected friendship, where they learn to communicate in a language all their own.
