Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

TWO-HOUR TEDDY BEARS

1998. Hard Cover with dust jacket. Book Condition: New. 8.75 x 11.25 in. Collector Bookstore is a retailer of new books located in Leavenworth, Kansas. We specialize in price guides and reference books for the antiques and collectibles industry. It's so "bear-y" easy! If you've got 2 hours, basic sewing skills, and a few materials from a crafts or sewing supply store, you can make an adorable teddy bear to cuddle, display, or give as a gift! Most of these models don't require time-consuming and difficult techniques, such as small extra pieces, complicated curves, and jointing mechanisms--and the results are simply enchanting. Stitch Miss Willow in her lace apron; angelic Helouise with wings on her back; Colette holding a useful pincushion; and a cheery, merry Santa Bear. Place a card or valentine in Bearheart's open arms and present him to a loved one. Long-legged Benjamin appears ready for a hike, in his boots and knitted sweater, socks, scarf, and hat. There are 17 bears in all--complete with full patterns and helpful sewing hints! The author lives in Park City, UT.
