Rocky Waters Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Welcome to Voices from the Susquehanna, Volume III the work of seventeen poets and artists. Step in and ponder love, beauty, and loss; the nature of poetry; the humor and mystery of aging; the end of time and the beginning of life. Walk down Main Street, Bourbon Street and the Ma and Pa Trail; meet creatures alien but familiar; spend time with robots, the homeless, the ocean, dragons, yoga, a wise fish, the moon, and every season. The poems present diversity of form--from familiar rhyme schemes to blank verse; from highly structured to whimsical. Some suggest a story in three lines. Some place the reader at the storyteller s knee for pages. Likewise the artists images range from the highly rendered to the implied. Some shout; some whisper. Both the poems and the images are accessible, provocative and imaginative, offering understanding at first glance and inviting a longer look to discover more.
