Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

(Rene Olson)

ATHEIST YOGA

Puragreen Productions LLC, United States, 2013. Paperback. Book Condition: New. 218 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Atheist Yoga is a provocative and mind-bending book that makes the case for yoga's total compatibility with atheism, while simultaneously offering an in-depth explanation of advanced yoga technique. It takes a close look at the full spectrum of yoga methodology and explains how to really advance your practice to higher levels of expertise, delving deeply into hatha yoga, pranayama and meditation while thoroughly exploring esoteric subjects such as Kundalini, tantra, sexual yoga, kumbhaka, pratyahara and yogic trance in sensible and easy to understand practical terms. From a starting point of realism and scientific materialism, it begins to decode and illuminate the ancient secrets of yoga in a way that readers will find highly accessible and enjoyable on multiple levels. The book's extensive analysis of advanced meditation technique, hatha yoga, yogic sex, Kundalini, the chakras, yoga trances, pranayama, mental focus, sensory withdrawal and asana is flavored with a rich tapestry of practical and experiential insights into the world of yoga, and is interspersed with five interlude chapters in which the author and an expert yogini engage in a far-ranging discussion about yoga, philosophy and unbelief-opening up additional conceptual pathways and further deepening the analysis while adding some color, interaction and real world substance. Atheist Yoga is sure to be a thought-provoking and enjoyable read for those who are interested in the advanced practice of hatha yoga and meditation. It delves deeply into the art of meditation, thoroughly explaining key elements of Patanjali's Yoga Sutras while drawing from psychologists such as Sigmund Freud and Carl Jung in order to understand the process of yogic introspection and awakening in terms of the unconscious mind. The book...
