Beekeeping in the South: A Handbook on Seasons, Methods and Honey Flora of the Fifteen Southern States (Classic Reprint) (Paperback)

By Kenneth Hawkins

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Beekeeping in the South: A Handbook on Seasons, Methods and Honey Flora of the Fifteen Southern States An impression gained is that beekeeping operations differ but little in the South from those in vogue elsewhere, except mainly in the time of their application. We have little criticism of methods in vogue in the South, except the lack of winter protection of any sort in too much of this region. Box hives are too prevalent in many areas of the South, but so they are in the North. An impression of southern beekeepers is their eagerness to learn modern methods, where they happen to be unknown, and to put them into practice. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Reviews

Merely no words to spell out. It is amongst the most awesome publication i have read. Your life span will likely be transform as soon as you full reading this book.

-- **Marvin Okuneva**

Completely among the best publication I have got at any time go through. I have got go through and so i am confident that i will likely to read again once more down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
