Men s courses will foreshadow certain ends, to which, if persevered in, they must lead, said Scrooge. But if the courses be departed from, the ends will change. - Charles Dickens, A Christmas Carol Carole is a modern day, career-driven woman who has little time for love and even less time for Christmas. While escaping the flirtation of a co-worker and the trappings of an office Christmas party, she meets a mysterious stranger. With this man, she travels back in time to 1843 London. There, she becomes a guest in the home of Charles Dickens, as he writes A Christmas Carol. People and events that inspire Mr. Dickens become part of Carole s life. The secrets she learns about the man, his life, and his writing affect her in ways she could never have imagined. This novella is a story about love, life, the Christmas spirit, and redemption.
