Believe it or not, most people do not consider themselves charismatic while they know people who are. It's also true that people are born to be charismatic, but the fact is, you can work on this as a skill and become more charming, likeable, attractive, confident, and build rapport with anyone you'd like. **Charisma: Unshackle your True Charismatic Self and Improve your Social and People Skills** is a definitive guide that will make any self-proclaimed awkward person into a more social and alluring individual. As a child, teenager, and even during my young adult life, I wasn't that person people would refer to as having personality. Rather, I was a nerd; a geek that loved reading books, and uncomfortable when it came to meeting other people. However, being a nerd paid off and I've noticed specific attributes that most charismatic people have. With thorough research, I've written this book to explain the whole process of becoming charismatic. In this book, you will learn: The science and qualities that make a person charismatic Specific reasons why being charismatic is essential in your self-development Overcoming being shy and developing self-confidence A guide in becoming more welcoming in meeting new people Strengthening your social and people skills Building rapport and continuing to maintaining a strong connection with those you love Simple ways to build your self-esteem These topics are just the tip of the iceberg that will help you become more charismatic. This book is educational, but importantly, it is also inspirational as it will truly help you become more likable and develop your true personality as human and social creature. If you're ready for this transformation,...
