

Cures - A Gay Man's Odyssey

By DUBERMAN, Martin Bauml

U.S.A / Westview Press, Boulder, Colorado, U.S.A., 2002. Soft cover. Condition: New. No Jacket. This is the 10th Anniversary edition of this book. The author gives a witty and searingly candid account of his journey to acceptance of his homosexuality despite the efforts of psychotherapists to cure him of it. Duberman's classic memoir of growing up gay in pre-Stonewall America. The tale of his desperate struggle to cure himself of his homosexuality through psychotherapy is utterly frank and deeply moving. But Cures is more than one man's story; it's the vivid, witty account of a generation, of changing times, shifting social attitudes, and the rising tide of protest against received wisdom. For this tenth anniversary edition, Duberman has written a substantial new afterword that updates both his personal history and the ongoing struggle for a more just society. A 1st edition in this 'format' paperback, in new condition. (319 pages). Originally published in 1992.

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my father and dad suggested this ebook to discover.
