CONFUCIUS/COLLECTION OF CRITICAL BIOGRAPHIES OF CHINESE THINKERS

Nanjing University Press, 2010. Soft cover. Condition: New. The Collection of Critical Biographies of Chinese Thinkers, under the general editorship of the late honorary president of Nanjing University, Professor Kuang Yaming, is the largest-scale project of research materials on Chinese thinkers undertaken since the beginning of the twentieth century. Standing on the shoulders of this great man and other 200 well-known Chinese professors, this collection of concise Chinese-English version is not only based on a profound academic foundation, but also exhibits a brand new feature which is the virtue of explaining the profound in a simple way, hence leading readers to mastery of the contents; it also incorporates a refined principle of selection, a simple mode of evaluation and commentary, and a moving narration of the stories and their wisdom. Confucius, the first great educator in Chinese history and the most important thinker and the founder of Confucianism, is revealed as a man of flesh and blood, of passions and aspirations, of triumph and tragedies, and of surpassing cultural and intellectual import.
