At an exclusive school somewhere outside of Arlington, Virginia, students aren t taught history, geography, or mathematics they are taught to persuade. Students learn to use language to manipulate minds, wielding words as weapons. The very best graduate as poets, and enter a nameless organization of unknown purpose. Whip-smart runaway Emily Ruff is making a living from three-card Monte on the streets of San Francisco when she attracts the attention of the organization s recruiters. Drawn in to their strage world, which is populated by people named Bronte and Eliot, she learns their key rule: That every person can be classified by personality type, his mind segmented and ultimately unlocked by the skilful application of words. For this reason, she must never allow another person to truly know her, lest she herself be coerced. Adapting quickly, Emily becomes the school s most talented prodigy, until she makes a catastrophic mistake: She falls in love. Meanwhile, a seemingly innocent man named Wil Parke is brutally ambushed by...
