Text Publishing Co, Australia, 2015. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Everyone knows Hollerans don t go near Baines. Aunt Juna was the start of all the hatred between the families, and even though she s been gone a good many years, the hatred has stayed put. On a dark Kentucky night in 1952, exactly halfway between her fifteenth and sixteenth birthdays, Annie Holleran crosses over into forbidden territory. It s been that way since Joseph Carl Baine was hanged in 1936. But local superstition says that tonight Annie can see her future in the Baines well. What she sees instead, there in the moonlight, is a dead woman. And suddenly the events of 1936, events that have twisted and shaped the lives of Annie and all her kin, are brought back into the present. Juna will come home now, to finish what she started. And if Annie is to save herself, her family and this small Kentucky town, she must face the terrible reality of what happened all those years ago. Inspired by the true story of the last lawful public hanging in the United States, Let Me Die in His Footsteps is a gothic masterpiece filled with tension and dread. In the lavender-scented landscape of Lori Roy s fine novel, secrets from the past emerge like long buried locusts, and the world of young Annie Holleran is changed forever. This is a beautifully observed novel whose details of time, place, and character are stunning little jewels sure to dazzle the eye on every page. Annie s journey from the comforting lies of childhood to the hard truths destined to shape her as a woman si one that readers will long remember. Quite simply put, I loved this book. William Kent Krueger author of...
