Oxford University Press, United Kingdom, 2010. Hardback. Condition: New. Language: English . Brand New Book. The Oxford Handbook of the Welfare State is the authoritative and definitive guide to the contemporary welfare state. Two final chapters consider questions about the global future of the welfare state. The individual chapters of the Handbook are written in an informed but accessible way by leading researchers in their respective fields giving the reader an excellent and truly up-to-date knowledge of the area under discussion. Taken together, they constitute a comprehensive compendium of all that is...
