Reviews

I actually started off looking at this pdf. It is one of the most amazing pdf i have got read. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Milford Donnelly)

ISLAM, THE WEST, AND CHALLENGES OF MODERNITY (PAPERBACK)**DOWNLOAD**

Islamic Foundation, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. Tariq Ramadan attempts to demonstrate, using sources which draw upon Islamic thought and civilization, that Muslims can respond to contemporary challenges of modernity without betraying their identity. The book argues that Muslims, nurtured by their own points of reference, can approach the modern epoch by adopting a specific social, political, and economic model that is linked to ethical values, a sense of finalities and spirituality. Rather than a modernism that tends to impose Westernization, it is a modernity that admits to the pluralism of civilizations, religions, and cultures. Table of Contents: Foreword Introduction History of a Concept The Lessons of History Part 1: At the shores of Transcendence: between God and Man Part 2: The Horizons of Islam: Between Man and the Community Part 3: Values and Finalities: The Cultural Dimension of the Civilizational Face to Face Conclusion Appendix Index Tariq Ramadan is a professor of Islamic Studies at the University of Oxford and a visiting professor in Identity and Citizenship at Erasmus University. He was named by TIME Magazine as one of the one hundred innovators of the twenty-first century.
