Brand New Book ***** Print on Demand *****.Oh, I can list hundreds of people who have had a thirst for knowledge and achieved great things. Among the names would be Socrates, Edison, Newton, Einstein, Jesus, and so many others. I will add another person to this list that achieved great things. For now, I will just refer to him as The Knowledge Catcher. In his story, you will find many parts of your story, of being a perfect example of a common person who struggled to become an uncommon success. From the absolute humblest of beginnings, a migrant worker, with minimal formal education, the catcher found himself deeply yearning for something in his twenties. Discovering that knowledge is the key to understanding the world around you, and more importantly, to understanding yourself, he began to catch. Tired of the routine of field life, and recognizing that time will not stand still; daily he became more restless and began to use his intuitive connection to people and the daily application of his books to start his journey to knowledge catching. One of his books, the Bible, was a guide he used to keep faith in himself, and to provide a spiritual certainty, when life and its challenges became uncertain. Our catcher began to usefully live in the present while preparing for a prosperous future. His explanations of how difficult migrant life can be, coupled with trying to learn about other cultures and ideas is nothing short of amazing. He proves that discontentment, not contentment, was the catalyst that sparked his thinking in new directions - focused and positive. These directions helped him maintain an attitude about life that was uncommon among his peers. The Catcher...
