Balboa Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Songs of Eternity is a collection of thirty-seven poems reflective of the author s inner dialogue between the relative, mundane aspect of consciousness and the Higher Self--eternal, inherent inner wisdom. Written in a playful style, these poems are rich in deep, spiritual meaning and profound understanding of the connection between the two, providing the opportunity for the reader to relate in this manner to different topics covered in the poems outside the scope of limiting linear thinking. The poems are melodious and therefore called songs, singing praise to life in every form and gratitude for rewarding empowerment arising from the merging of the relative self with higher consciousness. Intended for all of humanity, these poems will touch every reader s heart, for they speak the language of the heart, unique and understandable by all.
