Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A heartwarming story of a 25th Century professor s reunion through time with his 21st Century family ancestor. The story opens in celebration of a historic occasion, Earth s inauguration into The Federation of Blue Planets. Earth has become a virtual paradise as the result of global peace and the tremendous advances in science and technology. Included in the millions of planets inhabited by interstellar traveling civilizations throughout our galaxy, thousands of them are Earth-like planets. With the aid of a more advanced member of The Blue Planets, Derrick Patton is able to travel through time and pay a personal visit with his ancestor, Professor Robert Berg, in the 21st Century.
