Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It's no accident. Eve Lloyd is a magnet for trouble. On the brink of settling into an uneventful existence, Eve Lloyd turns her attention to a new venture. She's going to open an inn and she thinks she's found the perfect house. It should all be smooth sailing from there, but she's developed a knack for landing right in the thick of it. This time, she stumbles on a body in the least likely place and her fingerprints are all over the handcuffs found on the murder victim. As the suspects list grows, and the dream of running an inn evaporates, she becomes a target of the killer's rage. Despite trying to keep her nose out of other people's business, it seems the only way she can get her life back on track is if she sets a trap for the killer. Clean read: no graphic violence, sex, or strong language.
