Filesize: 6 MB

Reviews

This publication is definitely not simple to begin on studying but quite fun to see. It really is full of knowledge and wisdom I am just effortlessly can get a satisfaction of studying a created pdf.
(Alfreda Bradtke)

SECRET SOCIETIES AND CONSPIRACIES: SECRET SOCIETY OPUS DEI: CATHOLICISM S SECRET SECT (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Secretive, Controversial, Radical. Opus Dei, shedding lights onto Catholicism most secret society! Of the billion or so Catholics in the world, the members of Opus Dei constitute almost a hundredth of one percent. Though their numbers might be relatively minuscule, their reputation is many orders of magnitude greater. While the guiding lights of the Church have taken a more friendly, modern approach to religion in the last century, the members of Opus Dei have stuck rigidly to the traditions of old. In doing so, they have become known as the hardcore. The fiercely devoted. The stringently religious. Unmoving, distant, and utterly compelling. In an age when the Vatican is reaching out to many millions of people worldwide, Opus Dei seems to be shrouded in secrecy, a secret sect that adheres to the ancient practices of Christianity. Perhaps because of this adherence to the older models of Christianity, the group has come to represent the most devoted and most controversial of all Catholic arms. Its practices are said to include ancient languages, self-flagellation, corporal mortification, aggressive recruiting, controlling the free will of members, cult-like behavior, misogynistic policies, support of fascists, and many more secrets hidden away within the organization s walls. In this book, we will attempt to look deeply into the hidden history of Catholicism s most radical and divisive sect. Using ancient texts, accounts of former members, extensive research, and secret documents, we will discover the truth behind Opus Dei. If you would like to learn more about this zealous, sometimes terrifying organization, then read on. For the truth behind Catholicism s secret sect, this book is all you will ever need. Scroll back up and grab your...
