Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Elements of Finite Differences, Vol. 1: Also Solutions to Questions, Set for Part the of the Examinations of the Institute of Actuaries Part I. of the following work is mainly intended as a Text-Book of Finite Differences for Students preparing for Part I. of the Examinations of the Institute of Actuaries. It has been so arranged that the Student need not necessarily have any knowledge of trigonometry or conic sections and it will be noticed that this has in some cases necessitated somewhat lengthy arguments. Parts II. and III. deal with 250 questions set during the last sixteen years in the Actuarial Examination papers. The solutions are not given in all cases in such form as would be most suitable as answers in an examination paper, since it has been thought advisable to give a full discussion in any case where it is possible that a Student might otherwise find a difficulty in following the solution. It will be seen that there are 40 solutions of Finite Difference questions, which practically form an appendix to Part...
