

Selling Through Amazon Fba (Fulfillment by Amazon): Lessons Learned (Paperback)

Filesize: 5 MB

Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The best teacher is knowing the lessons learned from others. As it is better to know what has been done, than to repeat the mistakes of others. Especially, when that information is available. The Selling Through Amazon FBA (Fulfillment By Amazon): Lessons Learned book achieves this in a workable format that can be immediately used in executing a company s FBA strategy. This book can save valuable time money. The lessons learned presented are from a company (using the alias, ICE 69) that traversed the icy waters of interstate commerce and broke through the icebergs necessary to meet their compliance and operational goals/objectives. Armed with this information, a company can know where many of the icebergs are. How great it would have been for ICE 69 to have had this knowledge, rather than having to wake-up many days wondering where and how big the next iceberg would be. Additionally, this book gives valuable insight for any entrepreneur currently in business or just starting, that wants to see actionable business strategy at work, leverage trending technologies, and benefit from organizational structure concepts. The information is presented in the following chapters: 1.The Realization Wave 2.Getting Started 3.Financial Management 4.Administration 5.Equipment, Supplies and Sources 6.Inventory Management, Returns and Donations 7.Key Points The Amazon FBA (Fulfillment By Amazon) program provides a powerful platform for a micro/small business to propel their sales like a big business. However, FBA is probably one of the biggest undertakings a micro or small business can take on, and likely the most rewarding, that is, once they have all their business processes firmly in place. Enjoy the journey aboard ICE 69.
