

Small Scale industries in india: A Case Study of Assam

By Ranabijoy Deb

Mittal Publications, New Delhi, 1993. N.A. Book Condition: New. 23 cms. x, 240 p. ,Based on the findings of the author?s doctoral research, the present volume carefully examines the multi-faceted problems of the Modern Small Scale Industrial Sector of Assam with particular reference to the undivided district of Dibrugarh. Taking capacity utilization as yardstick for industrial growth, the study analyses the various constraints relating to Marketing, Financial, Material, Labour, which stand in the way of the SSI units in utilizing their full capabilities. Apart from these objective problems the book points out certain subjective issues which hinder smooth functioning of the SSI units. The effectiveness of various incentive and supporting measures of the Government to the SSI sector, their channelising procedures and the entrepreneurs? response and attitude to such measures are also scrutinised. Moreover, the prospects of ancillary and down stream industries on the basis of demands and wastes of large and medium scale units are examined with great care. A few striking features of the book are (a) it measures the extent of loss to the community due to existence of idle capacity in the SSI Units; (b) it points out the factors contributing to motivate entrepreneurship and correlates...
