iUniverse, Inc. Paperback. Condition: New. 60 pages. Dimensions: 8.9in. x 5.8in. x 0.2in.Each person has a story to tell. Even in the most similar of circumstances life always leaves a custom ceil on the soul. Its almost as if we are all standing around, and looking through a great bay window gazing upon a single tree at the top of a hill, footed with a collection of shrubs and grass. The echoes of our past, present, and future color our vision. While you may be enjoying a vivid memory of a walk in the park, full of bright green trees and ocean blue skies, your neighbor indulges within a plethora of poignant memories full of emptiness. As others gather round the window they may see: fear, light, or even hope of salvation. Often while peering through our own window of life different circumstances can leave anyone in another neck of the woods. Though, no matter how peculiar, lonely, or wonderful your walk has become, always remember your past, embrace your present, and thrive for everything tomorrow will let you become. Enjoy this heartwarming combination of collaborating short stories and poetry that will surely relate to everyones Echoes of Yesterday. This item ships from multiple locations.
