## Effective Early Childhood Professional Development: Improving Teacher Practice and Child Outcomes (Paperback)

By -

Brookes Publishing Co, United States, 2012. Paperback. Condition: New. ND Better Outcomes for Young C ed.. Language: English . Brand New Book. Professional development practices that really improve child outcomes that s what every early childhood education program needs. With this authoritative research volume, administrators and policy makers will discover the latest findings on best professional development practices and learn how to scale up successful efforts across an entire district or state. Based on the annual leadership symposium of the National Centre for Research on Early Childhood Education (NCRECE), this book is a must for anyone engaged in high-level efforts to ensure teacher quality. Through clear explanations of cutting-edge research from two dozen respected contributors, readers will: investigate specific, field-tested professional development (PD) models that improved both teacher practice and child outcomes (with a spotlight on Robert Pianta s effective MyTeachingPartner framework) learn how these models helped educators teach academic content areas (early literacy, math, and science) and improve children s social-emotional skills examine positive teacher attributes that PD efforts should target, such as increased self-regulation skills and reduced cognitive overload discover success strategies for scaling up professional development efforts through existing infrastructure and more investment in teacher quality (includes...
