Siren Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.[Siren Allure: Erotic Romantic Suspense, HEA] Blake Carlin is a handsome carbon copy of his genius father, whose only dream in life was to create dolls for adults that looked, felt, and acted human. Blake s first doll was based on a little street slut by the name of Jonquil Moon whom he met in London. He created Jonquil from memory and kept her with him as he moved up the ladder of success and established an empire called Dream Land. Unfortunately Jonquil becomes contaminated and begins to kill. In an effort to keep his dream alive, Blake covers up these killings as much as he can, but they still attract the press. At this time Lisette Danner, a little reporter for Blush Magazine, enters the picture, and is determined to get the dirt on Blake Carlin. This begins a bizarre tale of man and machine, and the harrowing task of telling one from the other. Note: This book contains dubious consent. ** A Siren Erotic Romance.
