Date :2009-04-01. learn to think. dare to think. often think of new. and our thoughts are the facial. our inexhaustible talent to surge . We said we would get through reading and writing. in fact. can not get through the key is not the amount of reading. but rather your ability to think. whether you have the habit of thinking. Thinking. this is the key point to enhance writing skills. If you do not develop the habit of thinking. you get through reading and writing difficult to achieve. If you do not have the ability to think. your ability to learn very difficult to upgrade. But we must remember is this: thinking is the need to develop. and only unconsciously develop the habit of thinking. the ability to think in order to become stronger. Placed in front of this book. from the language newspaper Cup National primary and secondary school essay contest winners culled. This competition every year hundreds of thousands of participants from among this part of the work. is naturally one of the fine. This is the result of carefully crafted these participants. reflecting their thinking. learning. creative results. Reading these works. you can get a lot of inspiration. Reading process. we can take this problem while being read to: from work. these authors is how to read and write to get through. and from reading and writing method of writing material? These works draw on someone else s any way? What the authors of these works reflect the characteristics of thinking? It can be seen from where the author is good at thinking of? By the perspective of...
