

Niagara Falls: 1850-2000 (Paperback)

By Paul Gromosiak, Christopher Stoianoff

Arcadia Publishing (SC), United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Since their creation thousands of years ago, the Niagara Falls have captured the hearts and imaginations of all those who witness their endless power and strength. As settlers arrived and began to harness the falls as a resource, the population climbed. Small hamlets, including Bellevue, Clarksville, Schlosser, and Manchester, grew to become the villages of Suspension Bridge and Niagara Falls, which were incorporated in March 1892 into the current city of Niagara Falls. Niagara Falls: 1850-2000 depicts the natural beauty of the falls, the emergence of the booming tourism trade, and the advances of electrical technology that have relied on the mighty falls power. Many hands have crafted and bent steel to span the Niagara Gorge while many others fought to keep industry from turning nature into asphalt. Culled from the archives of the Niagara Falls Public Library's Local History Department, these images represent the people, from those stepping close to the brink in amazement and awe to those who live and work within the roar of Niagara Falls, and places that make up the landscape that is Niagara's past.

Reviews

I just began looking over this pdf. It is one of the most amazing pdf i have study. I discovered this book from my dad and i recommended this pdf to understand.

-- Merritt Kilback II

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
