## MAGIC IN THE AIR: THE TURBINE AND THE SPRITE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Enter a world where the air is literally filled with magic. City wizards control this power with words and incantations, while those living off the land have a more direct source: strong alliances with the sprites who are the cause of the world's magic. With a head full of ideas of adventure and magic, Dean Greenthumb hopes to leave his family's magic-fuelled farm behind to explore the world. But the march of progress tramples his hopes when a magic-leeching turbine becomes an eye-sore on the pristine countryside and a threat to his community's way of life. Not one to sit idly by, Dean works to stop the turbine from draining the countryside of its magic. Can Dean help preserve the balance between sprites and humans? Or will his attempt cost him his own life?.
