Reviews

I actually started off looking at this pdf. It is one of the most amazing pdf i have got read. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Milford Donnelly)

MANS

EVEREST, 2011. Condition: Nuevo. Os Dereitos de Autor desta obra están destinados integramente a Tierra de hombres, fundación que ten como obxectivos prioritarios os seguintes: - Desenvolver unha estratexia de intervención en saúde materno-infantil. - Protexer a infancia coas medidas axeitadas que lles permitan aos nenos unha supervivencia e un desenvolvemento normal. - Sensibilizar e Educar para o Desenvolvemento. Stop Infancia sen Dereitos pretende ofrecer unha visión completa sobre a situación e as dificultades da infancia no mundo. O nome Tierra de hombres, elixido polo seu fundador Edmond Kaiser está inspirado no libro Terre des hommes do escritor francés Antoine de Saint-Exupéry, autor tamén da obra O principião. O pensamento do autor na redacción do libro contrapón os excesos políticos e ideolóxicos da moderna sociedade industrial aos valores "eternos" do ser humano, que el cifraba principalmente no espírito de sacrificio, na xustiza, na amizade e no honor. As nosas mans din de nós e do mundo. Hai mans xenerosas e mans avarentas; mans que acarician e mans que ameazan; mans que chaman e mans que condenan. O noso destino está nas nosas mans ou deixámolo nas mans de Deus. Pero as mans tamén voan e aman, e soben e baixan como tamén din e calan. E as mans dos amantes procúranse, achéganse e tócanse. As mans dos máis pequenos érguense cara a nós para pedir o que non acadan como as mans enfraquecidas e feridas dunha grande parte da humanidade sinalan e avergoñan as nosas mans farturentas e delicadas. Mans é un libro nacido dunha idea narrativa feita de imaxes; as do moito que din e calan as mans humanas. Un libro para que, ao pé de cada neno e de cada nena que o vaia ler, haxa un adulto que dialogue con el e que lle axude a inventar...
