Excerpt from The London Medical Record: A Monthly Review of the Progress of the Medical Sciences and of Subjects Relating to Public Health; February 15, 1883 On the occasion of two of the most recent Parliamentary elections, I was hurriedly applied to by candidates for references to the sources from which to answer their anti-vaccinating persecutors. Members of Parliament and magistrates are, indeed, often at their wits ends to know where to find the true facts which these gentlemen delight to misrepresent. I have, of course, been able to refer inquirers to the standard works on the subject, and to the registrar-general's statistics: but a need evidently exists for some concise statement of the merits of vaccination, which will obviate the necessity of individual research into the evidence in its favour. As a matter of fact, I have not been able to refer my inquirers to any such statement, and it seemed to me, therefore, that there would be great advantage in the truth about vaccination being placed before the public in a handy and readily accessible form, so as to supply...

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
