Excerpt from The Repudiation of State Debts: A Study in the Financial History, Mississippi, Florida, Alabama, North Carolina, South Carolina, Georgia, Louisiana, Arkansas, Tennessee, Minnesota, Michigan, and Virginia The field of financial history which is covered by this volume has been heretofore left almost entirely uncultivated by students of American finance. With the exception of an article by Hon. R. P. Porter in the International Review for November, 1880, and another contributed to Lalor s Cyclopaedia, by George Walton Green, and afterwards expanded by the Society for Political Education, as Economic Tract No. 11, very little has been written upon it. Neither of these articles furnishes a statement of facts complete and exhaustive enough to form the basis of accurate scientific judgments, and both of them omit the discussion of important questions. The present volume treats of four main topics. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
