

Iran: A Very Short Introduction (Paperback)

By Ali Ansari

Oxford University Press, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Iran has rarely been out of the headlines. Yet media interest and extensive coverage has tended to hinder rather than help our understanding of Iran as an idea, an identity, and a people, leading to a superficial understanding of what is a complex and nuanced political culture and civilization. This Very Short Introduction presents a radical reinterpretation of Iranian history and politics, placing the Islamic Revolution in the context of a century of political change and social transformation. By considering the various factors that have contributed towards the construction of the idea of Iran and the complex identity of Iranians themselves, Ali Ansari steers a clear path towards a more realistic understanding for us all.
