Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

GOOD ROOTS: WRITERS REFLECT ON GROWING UP IN OHIO

Ohio University Press. Paperback. Book Condition: new. BRAND NEW, Good Roots: Writers Reflect on Growing Up in Ohio, Lisa Watts, R. L. Stine, Mark Winegardner, "A good place to be from." That's how some people might characterize the Buckeye State. The writings in "Good Roots: Writers Reflect on Growing Up in Ohio", are testimony to the truth of that statement. By prominent writers such as P. J. O'Rourke, Susan Orlean, and Alix Kates Shulman, these contributions are alternately nostalgic, irreverent, and sincere, and offer us a personal sense of place. Their childhoods are as varied as their work. Some were raised in urban Cleveland, Akron, and Cincinnati, others in the small Ohio towns that typify the Midwest, and still others in the countryside. Yet what they have to tell us about their roots resonates with a shared heritage, a sense of what is universal and enduring about growing up in the heartland. Their collective resume reads like a literary "Who's Who", including four Pulitzer Prizes, several National Book Awards, and many prestigious fellowships. "Good Roots" is also plain good reading from some of our country's most accomplished contemporary writers.
