### **Reviews**

*The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).*

Pan MacMillan, United Kingdom, 2015. Hardback. Condition: New. Illustrated edition. Language: English . Brand New Book. Laura loves to practise. She's been a kangaroo, a parrot and a crocodile - but nothing beats being a LION! It's fun to leap, run and roar really loudly, isn't it? Laura's patient parents aren't so sure. So when Laura takes a lion-sized leap too far, she gets a small telling off. But like all good lions, Laura soon bounces back and it isn't very long before her Mum, Dad and baby brother are joining in the game. A warm, funny and reassuring book, which celebrates the joy of imaginative play and the importance of patience and family love. A funny, lively debut from a brand new picture book talent.
