

Developing in Underdevelopment in Nigeria: The Hand of Corruption (Paperback)

By Tope Shola Akinyetun

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The absence of social amenities as well as the prolonged challenges in social issues, majorly bothering on poverty, inequality and unemployment, has been on the rise in Nigeria. The potency inherent in her human and natural resources has thus not been fully exploited. This jinx of underdevelopment has not been broken and has invariably left development in the country a mirage. The merry-go-rounding around development and underdevelopment [as it were] has earned the country the status of a Third World Nation characterized by pervasive poverty, disease pandemic, hunger and malnutrition, unemployment, child mortality, low life expectancy, illiteracy, unequal trade exchange; lack of initiatives etc. Categorically, Nigeria s development in underdevelopment has been blamed on corruption stemming from the notion of national-cake and resulting in economic-hemorrhage. The need to expose the culprit -corruption, has driven me to embark on this academic voyage so as to provide transfusion for the country and resuscitate her from the corruption-induced-coma; after all, the effects of the cankerworm are far-reaching; involving the economic, political and social realms. I strongly believe that readers of this academic...
