Dover Publications Inc., United States, 2016. Paperback. Book Condition: New. First Edition, First ed.. 203 x 127 mm. Language: English . Brand New Book. Influential and innovative, James Joyce (1882 1941) led the vanguard of twentieth-century fiction. Sooner or later, most undergraduates encounter him, and many scholars devote their entire careers to his exuberantly eloquent prose. Joyce's experimental use of language and stream-of-consciousness techniques continues to captivate modern readers and writers, and this anthology offers a first-rate introduction to the Irish author's fiction and poetry. *A Portrait of the Artist as a Young Man*, Joyce's coming-of-age novel, appears here in its entirety. Readers will also find the complete texts of the short story collection *Dubliners*, and the play *Exiles*. Additional contents include highlights from *Ulysses*, universally acknowledged as among the English language's most challenging and rewarding novels, and *Chamber Music*, an early book of poems. Dover (2015) original publication.
