Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from William and Esther Barry and Their Descendants: A Memorial Record Living near the sources of information, and having many papers relating to William Barry, it has seemed incumbent upon me to prepare this volume, as if in fulfilment of my father s wish. I dedicate it to the memory of my mother, Louisa (Young) Barry whose acquaintance with the family began about 1828. I only regret that she did not live to see its completion. To my nephew, Laurence H. Parker, and the cousins who have assisted in various ways, and to Mr. W. T. R. Marvin, the publisher, for his valuable and kind co-operation in the line of his work, I desire to express appreciation and thanks. My hope is that the Memorial may be an inspiration to interest the descendants in each other, and to venerate their ancestor. Lives of great men all remind us, We can make our lives sublime, And, departing, leave behind us, Footprints on the sands of time. He was great in that he lived not to himself alone, but was useful to others in his day and generation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
