THE MISMEASURE OF MAN

To get **The Mismeasure of Man** eBook, you should access the web link under and save the document or have accessibility to additional information that are highly relevant to THE MISMEASURE OF MAN ebook.

W. W. Norton & Company. Paperback. Condition: New. 448 pages. The definitive refutation to the argument of The Bell Curve. When published in 1981, The Mismeasure of Man was immediately hailed as a masterwork, the ringing answer to those who would classify people, rank them according to their supposed genetic gifts and limits. Yet the idea of biology as destiny dies hard, as witness the attention devoted to The Bell Curve, whose arguments are here so effectively anticipated and thoroughly undermined. In this edition, Stephen Jay Gould has written a substantial new introduction telling how and why he wrote the book and tracing the subsequent history of the controversy on innateness right through The Bell Curve. Further, he has added five essays on questions of The Bell Curve in particular and on race, racism, and biological determinism in general. These additions strengthen the books claim to be, as Leo J. Kamin of Princeton University has said, a major contribution toward deflating pseudo-biological explanations of our present social woes. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
