AMERICAN BY PAPER: HOW DOCUMENTS MATTER IN IMMIGRANT LITERACY (PAPERBACK)

University of Minnesota Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. American by Paper reveals how two groups of immigrants who share a primary language nevertheless have very different experiences of literacy in the United States. It describes the social realities facing documented and undocumented immigrants who use everyday acts of writing to negotiate papers--the visas, green cards, and passports that promise access to the American Dream. It is both an ethnography, filled with illuminating details about contemporary immigrant lives, and a critical intervention into two leading--and conflicting--scholarly ideas of literacy and its social role. Vieira builds on insights from literacy theories that have long been in opposition to each other in order to develop a new sociomaterial theory of literacy, one that takes into account its inseparable link to paper, forms, and documentation. This point of view leads to a deeper understanding of how literacy actually...
