*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Brand New Book ***** Print on Demand *****.Excerpt from Gatherings: From Life and Time Gathering From Life And Time. Dedicated to J.T.M. So long ago, we began our voyage On life s uncharted sea. My youth was yours, and yours was mine, Our port we knew not, Only a trackless immensity confronted You and me. Ah yes, long ago is that day in May When we began our life together. Hand in hand we met the storms and calms, The hurricanes - oh, how many we have weathered. And the cyclone that swept our ship Across the muddy seas And rattled her sturdy timbers, Until they shook like dead branches On old trees. And when the sun shone upon the rippling waters, Side by side we laughed, and loved the change That gave us rest from conflict.
