The author gives us a glimpse of Europe just before and after the occupation. As her subject blossoms and matures onward later in Canada, her family being of a well to do background while Elsa having opposed her parents is on a resolute path throughout decisive stages. It leads her further into unaccustomed realities. Later together with her man, strangest occurrences of the other-worldly or the extra sensory surely put them to the test. In an effervescent rebounding of courage and love, they arrive at last upon a serene plateau. With added input of sense and feeling, the author becomes quite descriptive with a depth other than ordinary amid the riches of such endorsement. Touching upon a rare vein and hidden treasury, overflowing at times in poetic expression. Power, simplicity, Grace and Beauty. You ll find them all in this work.
