

Inside a Pearl: My Years in Paris

Filesize: 9.08 MB

Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Evie Emmerich)

Bloomsbury USA, United States, 2015. Paperback. Book Condition: New. Reprint. 206 x 137 mm. Language: English . Brand New Book. When Edmund White moved to Paris in 1983, leaving New York City in the midst of the AIDS crisis, he was forty-three years old, couldn't speak French, and only knew two people in the entire city. But in middle age, he discovered the new anxieties and pleasures of mastering a new culture. When he left fifteen years later to take a teaching position in the U.S., he was fluent enough to broadcast on French radio and TV, and in his work as a journalist, he'd made the acquaintance of everyone from Yves Saint Laurent to Catherine Deneuve to Michel Foucault. He'd also developed a close friendship with an older woman, Marie-Claude, through which he'd come to understand French life and culture in a deeper way. The book's title evokes the Parisian landscape in the eternal mists and the half-light, the serenity of the city compared to the New York White had known (and vividly recalled in *City Boy*). White fell headily in love with the city and its culture: both intoxicated and intellectually stimulated. He became the definitive biographer of Jean Genet; he wrote lives of Marcel Proust and Arthur Rimbaud; and he became a recipient of the French Order of Arts and Letters. *Inside a Pearl* recalls those fertile years for White. It's a memoir which gossips and ruminates, and offers a brilliant examination of a city and a culture eternally imbued with an aura of enchantment.
