Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

(Mr. Grant Stanton PhD)

HELIOTROPES (PAPERBACK)

Fence Magazine Inc, Division of Fence Books, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. The role of proper names and their power over both named and namer is a subject Sekiguchi has addressed in her critical work. Now she returns to the theme in these poetic prose blocks. Set in a Portuguese botanical garden, they reconstruct the plant, animal, and aviary worlds through the lens of language - a Wittgensteinian language that dreams of impossible precision while actually constructing a kaleidoscope that interleaves the boundaries of its subjects until the myriad forms that life can assume become a single, triumphant category.
