## SCHIZOPHRENIA - WHO CARES?: A FATHERS STORY

DOWNLOAD

Blackbird Digital Books. Paperback. Condition: New. 206 pages. Dimensions: 8.0in. x 5.0in. x 0.5in. Impressive, moving, disturbing. Salley Vickers, author of *Miss Garnets Angel*, *The Other Side of You*, *The Cleaner of Chartres* The author of the original bestselling titles *The Rough Guide To France* and *The Rough Guide to Paris* tells the tragic, moving story of his sons - and thus his own - 20-year struggle with schizophrenia. Tim Salmon believes passionately that it needed to be told, for the outside world - and he includes many of the professionals in that - know little of the daily reality of living with paranoid schizophrenia. He dedicates this frank, no-holds-barred account to all those who find themselves in the same boat, both sufferers and relatives, all of whom, once this bizarre illness strikes, find themselves thrown into a chaotic situation that is always bewildering and often as downright terrifying as it is heartbreaking. His story includes his dealings with the mental health care services, a pretty shameful record of incompetence, buck-passing and lack of communication and co-ordination and the mental health charities, whom he has not spared - for in their devotion to the sloppy, evasive language of political correctness, they have dangerously underplayed the seriousness of real mental illness like schizophrenia. Only a brilliant writer can make a page-turner out of a grim subject like schizophrenia. Totally gripping, I couldnt stop reading until the end. AzUS A mental illness memoir that is also: A riveting read, a proper page-turner. Reduced me, on occasion, to both tears and laughter. We could do better than this. Nina Bawden, novelist, author of *The Birds on the Trees*. I would recommend this book for care coordinators and those interested in more responsive and engaged services. Leonard Fagin Honorary Senior Lecturer, University College London, and...
