Brand New Book ***** Print on Demand *****.Lyrical Ballads, with a Few Other Poems is a collection of poems by William Wordsworth and Samuel Taylor Coleridge, first published in 1798 and generally considered to have marked the beginning of the English Romantic movement in literature. The immediate effect on critics was modest, but it became and remains a landmark, changing the course of English literature and poetry. Most of the poems in the 1798 edition were written by Wordsworth, with Coleridge contributing only four poems to the collection, including one of his most famous works, The Rime of the Ancient Mariner. A second edition was published in 1800, in which Wordsworth included additional poems and a preface detailing the pair's avowed poetical principles. For another edition, published in 1802, Wordsworth added an appendix titled Poetic Diction in which he expanded the ideas set forth in the preface. Wordsworth and Coleridge set out to overturn what they considered the priggish, learned and highly sculpted forms of 18th century English poetry and bring poetry within the reach of the average person by writing the verses using normal, everyday language. They place an emphasis on the vitality of the living voice that the poor use to express their reality. Using this language also helps assert the universality of human emotions. Even the title of the collection recalls rustic forms of art - the word lyrical links the poems with the ancient rustic bards and lends an air of spontaneity, while ballads are an oral mode of storytelling used by the common people. In the Advertisement included in the 1798 edition, Wordsworth explained his poetical concept: The majority of the following poems are to be considered as experiments. They were written chiefly with a view...
